Kazuki Funatsu

The Cast of Monster Girls!

CHITOSEYA NAGI

A cosplay fortune-teller in Akihabara and Momo's older sister. As an expert in yokai matters, she sees real potential in Yatsuki, and has requested his help in managing yokai.

KAKINOKI MITSUO
A handsome middle-aged man who serves as Nagi's loyal retainer. Is actually a yokai: a kakitoko.

KIZUKI RIN

A member of GCUP. He respects his senpai, Yukimura, and also has some connection to Ichie.

HOJJOU SAKURAKO

Is in the same line of work as Yatsuki. Came to scout him for GCUP, the organization she works for. Hates that she has B-cups, not G-cups.

SUZUNARI NIA

Rokka's classmate. Sharp, athletic and incredibly cool and beautiful, she's actually a yokai: a nekomata.

SHIJOJIN DOLCE AND GAPPANYA

A stuffed animal who freeloads at Yatsuki's grampa's place, and does nothing but fight with Rokka. Is actually a yokai: a hinnagami.

ITOSHIGE KIRUE

Pretty girl-gamer based in Akiha. Is actually a yokai: a jorougumo.

MAKABE ICHIE

Also known as Ichhan and is Rokka's friend. She's also ended up freeloading at Yatsuki's grampa's place. Is actually a yokai: a nurikabe.

NISHIZURU YATSUKI

Works part-time in Akihabara. Can see ghosts and has gotten himself mixed up with a bunch of yokai.

NISHIZURU NANAO

Yatsuki's sister. She's been stuck as a spirit for the past six years, unable to return to her comatose body.

AYATSUKI ROKKA

A pretty girl whom Yatsuki once helped out. Ever since, she's seemed quite taken by him. She's actually a yokai: a rokurokubi.

CHITOSEYA MOMO

A maid who works at the maid cafe Yatsuki Yatsuki often goes to. Her maid alias is "Moru." Prone by nature to being possessed by spirits and yokai.

The Story So Far:

Nishizuru Yatsuki is a twenty-year-old virgin working part-time at a general store in Akihabara. For some reason, he's always been able to see spirits. One day, he meets the beautiful Rokka. She's super cute, and happenstance brings them very close very fast...or it would have, but Rokka turns out to be a yokai--a rokurokubi!

Since then, a ton of yokai-related incidents have occurred in Yatsuki's life! Yatsuki has started doing yokai management in order to save his little sister, Nanao, who has been stuck as a spirit, unable to return to her body.

Doing this work has led Yatsuki to receive an invitation from the yokai extermination organization, GCUP, and he agrees to participate in one of their missions to subdue a yokai. But their target was Itoshige Kirue, whom Yatsuki had fought with--and made peace with--already. After that incident, Yatsuki swore to be a bridge that connects humans and yokai. As everybody recuperates from the battle, they are visited by Nagi who brings with her a makuragaeshi who can help return Nanao's spirit to her body. But in order to do that, it turns out Nanao needs ethereal energy (Shockergy.) So Yatsuki and his friends decide to gather Shockergy together to help her.

Yokai Field Guide!

This creature is described in *Hyakki Yagyō* as being a person's soul pressed down under the Matsuri family, who were the lords of Misaki. Castle in Kumamoto prefecture. It's said that those who had been with a wife, had a child, or were a son.

One theory says the name comes from how they are everywhere (see their sound) and over here (point).

The background features a series of diagonal stripes in various shades of gray. Overlaid on these stripes are several abstract, organic shapes in white and dark gray. Three jagged, starburst-like outlines are scattered across the composition: one in the top right, one in the bottom left, and one in the bottom right. The central text is contained within a dark, irregular, cloud-like shape.

READING DIRECTIONS

This book reads from *right to left*, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!
